Description

The Mission's mandate consists of stabilisation, normalisation and confidence building, as well as reporting to the EU in order to inform European policy-making and thus contribute to the future EU engagement in the region. EUMM is mandated to cover the whole territory of Georgia, within the country's internationally recognised borders, but the de facto authorities in Abkhazia and South Ossetia have so far denied access to the territories under their control. First and foremost, the Mission is working to prevent the renewal of an armed conflict, as well as to help make the areas adjacent to the Administrative Boundary Lines of the breakaway regions of Abkhazia and South Ossetia safe and secure for the local residents. The Mission wants to contribute to create conditions whereby civilians can cross the Administrative Boundary Lines of Abkhazia and South Ossetia in both directions without fear and obstacles, thus reducing the detrimental effects of dividing lines. Expenditures to cover the deployment of Slovak police experts for 2015.
