#### Description

The project goal is to create a course of sustainable development entrepreneurship for students at the Faculty of Law in Comenius University. Developmental education and its implementation through social entrepreneurship will help students to bring sustainable development to practice in selected regions. Important component is active participation of business sector to reach sustainable development. Specific goal - preparation of the implementation of Developmental social entrepreneurship at the Faculty of Law. The goal is set up unique exclusive course of Developmental social entrepreneurship which should be started in Slovakia with cooperation with the Faculty of Law in Comenius University in pilot phase.
