Description

Main goal of the project is to improve access to pre-school education in the Kibeho region. Goal will be achieved by simplifying access to education for children from the poorest families. Besides pre-school preparation the centre aims to improve quality and nutritional value of the food, especially for under-nourished children, prevention against diseases and identification of individual needs of children in the Kibeho region. Volunteer will take part in co-ordination activities of the centre, he/she will co-operate with local community of the Pallotines and tutors, spend time with the children and supervise financial issues of the centre. He/she will also distribute nutritional food to the under-nourished children beyond the project of the culture centre and co-ordinate construction of a new kindergarten building for a larger ammount of children.
