Description

Main objective of the project: The Kibeho Anti-nutritional Center is run by St. Vincent Pallotti's Missionary Sisters as one of a network of centers they run for the poorest people in Rwanda. The Kibeho region itself is known as the apparition site and is one of the poorest areas in central Rwanda. The petitioner assisted and assisted in the construction and operation of the aforementioned center. The project provides an ideal environment for volunteering and creates sufficient conditions for this. The activities of the volunteer will be carried out under the supervision of an experienced employee of the University of St. Elizabeth. The new volunteer will be able to build on the activities undertaken by previous volunteers. The project also aims to support local capacity building, there are not enough experts and social workers in the area, and volunteer activities in cooperation with the expert will lead to the training of local experts. The project also aims to promote intercultural dialogue, foster solidarity and understanding between nations and long-term partnerships between organizations and communities in Uganda. The stay of the volunteer will be part of the preparation for work in the area of development cooperationThe project provides an ideal environment for volunteering and creates sufficient conditions for this.
