| Start of Commitment | 2019-11-13 |
| End of Commitment | 2019-11-30 |
| Currency | EUR |
| Status | OECD approved |

Description

The study visit of Macedonian and Serbian delegations was carried out in the context of meeting the objectives 3, 7, 11 and 13 of the 2030 Agenda for Sustainable Development and the objectives of the Mid-term Development Cooperation Strategy for 2019-2023 under the Sharing Slovak Expertise - the ODA Instrument.

Representatives of Northern Macedonia and Serbia participated in the second European Clean Air Forum, held in Bratislava on 28 and 29 November 2019, which was aimed at finding effective solutions to improve air quality. The Forum provided a platform for structured dialogue, exchange of experience, best practice and capacity building of stakeholders.

On November 28, 2019, an informal meeting of representatives of Northern Macedonia, Serbia, Ministry of Environment of the Slovak Republic, Slovak Hydro-Meteorological Institute, Slovak Environmental Agency, WB and EFCA took place in order to identify possible cooperation in the field of air protection.
