Description

It was the realization of the study visit originally planned for the two groups - each composed of 7 people (CETIR limit is 6 people). However, after a meeting at the Ministry of Justice with the director of Department of European Affairs and Foreign Relations, Mrs. Anna Machalikova and Mgr. Oľga Chuda of the same department, the Ministry of Justice has proposed two groups merge into one. The reason was a particularly busy time and the limited availability of Slovak experts during working hours.
