Status	OECD approved

Description

Already in 2010, the World Bank member countries have endorsed a general capital increase and a selective capital increase in the total amount of 86.2 bln. USD for the IBRD, the arm that lends to developing countries. This increase is also linked to the change in voting-powers, bringing 3.13 percentage point increase in the voting power of Developing and Transition countries at IBRD. The Slovak Republic share in the general capital increase was due by the end of 2015.
