Description

EUBAM provides on-the-job training, technical assistance and advice to the Moldovan and Ukrainian border guard and customs services, reinforcing their capacity to tackle customs fraud, detect cases of smuggling and THB (trafficking in human beings), and carry out effective border and customs controls and border surveillance. The Mission provides dedicated training courses on key customs and border-control issues such as risk analysis and anti-smuggling techniques, organises study visits to EU member States in order to observe EU best practice and engage in information exchange, and at all stages tries to encourage improved inter-agency cooperation and harmonization within each State, and on the cross-border level between the counterpart services of Moldova and Ukraine.
