Implementing Organization	
Implementing Organization Code	Donor country-based NGO
Geo Location	
Longitude	
Latitude	
Start of Commitment	2011-08-24
End of Commitment	
Currency	EUR
Status	OECD approved

#### Description

The aim of the project is to improve health care for the population of Maridi in Southern Sudan by building a health care facility in the district. A new health centre (a small hospital) will provide regular professional medical services, with particular focus on the most vulnerable groups - mothers and children. A mobile ambulance will allow for the provision of the health care services in the remote parts of the district.
