Description

The overall project goal is to raise awareness among the population of the target country of the fundamental principles of democracy. The expected result will be people interested in public affairs.

The purpose of this project is to increase the capacity and potential of human resources through training in areas that are essential for democratic development. This will be done through the administration of information to citizen's ambassadors from among university students, who will be at this function trained and available to them a professional material will be created. Another way of distributing information will be through public, cultural, social personalities who can disseminate the information through media. A prerequisite for the successful distribution of information materials and the population is willing to learn and accept this kind of information.
