Description

The project focuses on the presentation of development cooperation through SlovakAid SR in Slovak society. The main objective is to draw attention to this kind of aid and its necessity. Since the company there are currently poor awareness, the project seeks to create a new way of communicating this kind of assistance, and aims to reach groups of young people who may be directly involved in this kind of assistance, volunteers, people of working age and also of Members from its positions can materially affect the perception of the issue. Each of these target groups can affect the development assistance provided by the Slovak Republic to developing countries. Furthermore, the project aims to create a space for sharing and exchange of experiences of organizations focused on development assistance, volunteers involved in development assistance, as well as other professional and lay public, which is interested in this topic. The output of the project will be our brochures, which in its electronic version will be freely available to anyone with an interest in the issue. Another output will study on global education in the Slovak Republic, as this type of training is a form of development cooperation. We believe that all project activities will contribute to meeting the general objectives of the call.
