Description

The microgrant is focused on creating a center of extracurricular activities for youth. The center will be set up in the building of the existing library, where a dedicated room will be renovated at the expense of the municipality. The applicant plans to purchase equipment (tables, chairs, cabinets, hangers), computer equipment (laptop, projector, speakers, multifunction equipment, router), purchase of funds for leisure activities (table football, ping pong table) and purchase of security equipment (alarm and camera). In addition to the purchase of equipment as part of the implementation of the microgrant, workshops, trainings and seminars will be organized.
