| End of Commitment | 2023-05-31 |
| Currency | EUR |
| Status | OECD approved |

Description

Project brings innovation into GE initiative World between the Lines, aiming to get more complex information on development into Slovak discourse. Main objective of the project is to raise awareness on GE issues by increasing the quality and quantity of education of (future) journalists (via university courses including innovative MOOC course + courses of lifelong learning), and by activities of informal education (via media outputs including GE-focused podcasts and festival discussions)
