| End of Commitment | 2024-05-31 |
| Currency | EUR |
| Status | OECD approved |

Description

The project builds on SEOS I from 2021. It focuses on sensitizing public opinion through a national campaign that presents the benefits of employing people with disabilities. At the same time, it has the ambition to strengthen the position of people with disabilities in the labor market through the creation of new jobs through social employers. The main activity will be to streamline communication between the main actors in employment policy and to make existing advisory bodies operational at regional level.
