Description

On October 27 - 31, 2019, a 7-member delegation from Palestine visited Slovakia. The primary objective of the study visit was to create the prerequisites and a network of contacts for the development of direct cooperation between Palestinian and Slovak universities, especially in the fields of agriculture and food production, water management, environment and technical cooperation in automotive, materials innovation, renewable energy and research projects.

The first and second day of the visit took place at the Slovak University of Agriculture in Nitra, the Rectorate and the AgroBioTech Research Center; during the second day at the Faculty of Technology and the Faculty of Economics and Management (topics: research projects, student and teacher mobility, summer schools, etc.). The third and fourth day of the visit took place in Bratislava, where the delegation attended a meeting at the Slovak Technical University and a meeting with representatives of the Ministry of Education, Science, Research and Sport of the SR and the SAIDC.
